

CONSULTATIONS AND INVESTIGATION		FEES (\$)
Consultations	Chart Creation, information gathering and orientation (nurse)	150
	File update and orientation (nurse)	50
	Visit with the same doctor	150
	Follow-up visits of variable duration (minimum 5 minutes)	25 / 5 min
Spermogram	Post-vasectomy or urine evaluation (concentration and mobility)	95
	Complete spermogram (concentration/mobility/morphology/MAR-test)	250
Ultrasounds	Ovarian reserve without 3D or with 3D	200 - 225
	Fertility ultrasound- Per visit	250
	Hysterosonography	350
Hysteroscopy	Diagnostic	1000
	Operative	1500
FERTILITY TREATMENTS		FEES (\$)
Inseminations	Ultrasound for follicular follow-up – Per visit	250
	Maximum per cycle with oral medication	500 / cycle
	Maximum per cycle with gonadotropins	750 / cycle
	Intrauterine insemination (including washing and preparation)	750
In-vitro fertilization	IVF - Natural or stimulated cycle – Follow-up until egg retrieval	3000
Frozen embryo transfer	TEC - Frozen Embryo Transfer Cycle – Follow-up until transfer	500
Fertility preservation	Sperm cryopreservation (first year of freezing included)	600
	Annual storage fee for embryo(s), egg(s) and frozen sperm	450
Other (if required)	Purchase of a donor straw from the OVO/PROCREA bank	1000
EVALUATION OF THE ENDOMETRIUM		FEES (\$)
	Endometrial Assessment with Sham Cycle, Synchronization, Teaching and Consents - One-Time Fee	500
	ERA - Endometrial Susceptivity Analysis (Fee if a second biopsy is required)	995 (500)
	ALICE – Chronic infectious endometritis (Price if a second biopsy is necessary)	375 (225)
	EMMA - Endometrial Microbiome Analysis (Rate if a second biopsy is needed)	650 (325)
	ENDOMÉTRIO – Combined ERA, EMMA and ALICE analyses (Price if a second biopsy is required)	1950 (800)
GYNAECOLOGY		FEES (\$)
	Endometrial biopsy (transport not included)	100
	Mona Lisa Touch – Per treatment	750
EQUIPMENT		FEES (\$)
	Condom for spermogram	23
	Transfer catheter if transfer test prescription - "mock"	35

* All fees listed in this document are subject to change without notice.

LABORATORY TESTS - OVOLABO		FEES (\$)
Fertility	POC – Igenomix (genetic analysis of products of conception)	645
Blood tests / others	Blood test – variable rates according to examinations requested	On request
	Cervical cytology (Pap test)	110
	Oncogenic HPV	140
Genetics	X Fragile	600
	CFTR – Cystic Fibrosis	250
	Blood karyotype	500
	Invitae genetic testing (per person)	795
OBSTETRICS AND PRENATAL		FEES (\$)
Obstetric ultrasound	First trimester (including viability)	150
	First trimester (including viability) - twins	175
	Second and third (trimester)	225
	Second trimester and third trimester - twins	295
	Targeted ultrasound	100
Prenatal screening	Nuchal translucency ultrasound without fetal I DNA analysis	160
	Nuchal translucency ultrasound without fetal DNA analysis (twins)	220
	Nuchal translucency ultrasound if concomitant DNA analysis	130
	Nuchal translucency ultrasound if concurrent DNA analysis - twins	190
	Fetal DNA screening (Genolab)	485
	Fetal DNA Screening (Panorama)	600
Other	Recording the fetal heartbeat in a soft toy	55 + taxes
ADMINISTRATIVE COSTS		FEES (\$)
	Chart copy (digital)	Toll
	Chart copy (Paper)	25 + taxes
	Fees to complete a short form; 2 pages and -	20
	Fees to complete a long form; 3+ pages	50
	Fees for missed or cancelled appointments with less than 24 hours notice	50
TRANSPORT AND HANDLING		FEES (\$)
	Transport of biological sample to local hospital	15 + taxes
	Administrative costs for receiving gamete(s) or preparing for transport	55 + taxes
	Handling and transportation fees for ERA-EMMA-ALICE-ENDOMETRIO	87 + taxes

* All fees listed in this document are subject to change without notice.
